If you'd like to speak, please wait to be recognized by the Chair or by any Board member assigned to the task.

During the Candidates Forum, written questions will be taken from the floor. However, to be sure your question is included in the process, please submit questions prior to the May 12th Candidate Forum.

Please submit questions for the candidates to: mathtownhall@gmail.com

Thank you for taking part in MATH and engaging in your community!

Math Mission Statement

The Middletown Area Town Hall was formed to operate as a true town hall, with everyone participating and voting. However, county officials required us to elect a board to conform with other county advisory committees. Our bylaws specify that the board makes decisions based on a vote of everyone present. The board encourages all members to give their opinions and vote on every matter before the assembly.
