PLOT PLAN SUBMITTAL GUIDE

For consideration of approval, all submitted plans must adhere to the following:

- Submit completed land use application and pay the fee.
- Submit three (3) sets drawn-to-scale site plans from actual measurements of the existing development and completed building permit application.
- Include location of all buildings, roads, driveways, property lines, easements, springs, wells, lakes, ponds, rivers, streams, drainage areas and other physical features such as escarpments, cuts or cliffs.
- Demonstrate detailed views (drawn to scale) of the location of the existing septic tank, leach fields/absorption fields (initial and replacement/expansion) and/or water well(s).
- Demonstrate correct total linear feet for leach lines.
- Property lines must be indicated.
- Appropriate set-backs for septic tank, leach field and/or water well(s) must be demonstrated.
- Location of proposed addition.
- Cross-sectional view of disposal trench.

Incomplete plan submittal packages will not be reviewed.

If plans are incorrect, our office will return all documents. Applicant is eligible to submit a new package with application and pay the fee.
