A neighborhood beautification program isn't a single event ("Fix Up Your Yard Day"), but rather a strategy to maintain, enhance, and/or change the character of your neighborhood over the long term. You may approach particular elements of the program one at a time, but our focus should be on long-term vision for the neighborhood. Some of the aspects to consider as the partners think about what might benefit from change are as follows:

**Cleanliness.** Even an unattractive neighborhood will look enormously better and be nicer to live in if the streets, sidewalks, parks, grassy areas, and empty lots are free of trash and dog droppings, there are no plastic bags stuck in trees or on electric wires, and both pavement and buildings are free of graffiti and grime.

### **Greenery and Plantings.**

Trees, flowers, grass, and shrubs can help a neighborhood feel welcoming and well-loved.

Animal Control  
Public Facilities

*"To empower citizens to  
spearhead the safety and  
beautification efforts"*

## ***What is the Purpose of RMTF?***

---

The Road Map Task Force is an initiative that was adopted by the Lake County Board of Supervisors to revitalize and secure the Clearlake Oaks neighborhoods through a “community-driven revitalization” action plan. The purpose of the task force is to:

- 1) Build a partnership between the County and “The Clearlake Oaks” citizens to combat blight, crime and illegal activities;
- 2) Empower citizens to beautify and protect their communities through neighborhood beautification and safety;
- 3) Offer an available mechanism for citizens to report violations directly to a specialized task force;
- 4) Elevate “The Clearlake Oaks” community to develop a look, feel and sense of security that will attract new residents and businesses.

## **What are the Goals?**

The goals of the program are to increase the community aesthetics, reduce crime and stimulate economic growth.

## **How Can you Help?**

One way you can assist the RMTF is to be a “Voice” for “The Clearlake Oaks” community by expressing your concerns as they relate to aesthetics, crime, or economic growth in the community. To get involved, please notify your Property Owner Association (POA). To report a concern, simply scan the QR Code on the back of this flyer to alert the Lake County Code Enforcement Division. Your input is very important in two major ways: 1) it helps with the success of the RMTF Pilot Program; and 2) it helps achieves the goals of “The Clearlake Oaks” community.

## **Who Should be Involved?**

**Lake County  
Road Map Task Force**

---

- Homeowners
- Renters
- Landlords
- Business Owners
- Local Officials
- Neighborhood Organizations
- Agencies that service neighborhoods and cultural institutions
- Local Officials
- Governmental Organizations
