Re: Grand Jury report on Live Oak Senior Center

Dear Mr. Schroy:

I read with great interest the Grand Jury report on the Live Oak Senior Center, after first reading about it in the Record Bee.

First, I am disappointed by the fact the jury never once contacted me or interviewed me as stated in the report. Second, this is a county owned building which was built by the county and has never had a handicap door installed, therefore, it *does* in fact, operate as intended.

Needless to say, I am disappointed with your “findings”.

Susan Dufraim, Executive Director
