To The 2017-2018 Civil Grand jury,

The Middletown Senior Center
Recommendation # R5

The Middletown Senior Center agrees with the recommendation of the grand jury and has reached out to the Clearlake Children's Museum of Arts and Sciences. I contacted Joyce Overton at the Clearlake senior center and talked to her about how the program worked for them. Joyce said they had only been there one time but it had worked out well. Then I contacted Stephanie at the Art Museum. I discussed with Stephanie a few different options. At this time I am waiting to hear back as to a date and time.

Sincerely,

Lori Tourville
Executive Director
